# TURNER AND OLSEN PRIMED FOR FIGHT

Wrestling Bill at Auditorium To-Morrow Night Will Find Italy Battling Greece.

Jee Turner will meet Young Olsen in the City Auditorium to-morrow night for final settlement of their differences. ner. Jos holds other views, largely because he has already pinned the blonde Swede's shoulders to the mat on previous occasion. But, then, says Olsen, he was not in condition to give the best of which he is capable. He feels that he has reached that stage now, and will have no excuses to offer

feels that he has reached that success now, and will have no excuses to offer should he prove a loser in his match with the champion middleweight wrestler of the world.

Frank Screecka, who comes from sunny Italy, with John Kilonis, the Greek wonder, will furnish the other half of the evening's amusement for the fans. Screecka, since leaving Italy, has made his home in Baltimore, with occasional tramps abroad, where he met and vanquished some of the best men in the mat game. He is comparatively unknown in Richmond, but after to-morrow night he will doubtless have many friends, for the people here always like a game man, whether the fortunes of war are with him or negalist him.

The Kilonis-Screecka bout will begin promptly at 8:30 o'clock, and immediately thereafter Olsen and Turner will be at it. Women are to be admitted free. Tickets for the double bill are on sale at McCoy's. Each ticket is couponed, and the purchaser of a coupon ticket is entitled to an additional coupon if he intends to be accompanied by one of the gentler sex.

# JOHN MARSHALL PLAYS PARK FIVE

The undefeated John Marshall quint will meet the Highland Park five this afternoon on McGill's court. The game will start promptly at 4 o'clock, and no admirsion will be charged.

This is the first time these institutions have ever met in any form of athletics, and a hard fought game is promised. The Marshallites had a rough scrimmage with the Spider five Monday afternoon in the high school gynnasium, and did the work against the collegians.

# PINEAU IS READY TO MEET HIS MAN

HENDERSON GOES

WITH FEDERALS

BIG Ed Henderson, the left-hander purchased by Ray Ryan for the Colts will be followed by Connie Albright, with the Pittsburgh club of the Federal League. The loss of Henderson will unquestionably be a severe blow to Ryan. He is a big fellow, and a left-hander, and had been counted one of the best of the String of Inviers Mannager Ryan brites that he has signed out-fielder Gray, who last season was a member of the Charleston, W. Va., team in the Interstate League. Gray is a big fellow, also, and made quite a record as a slugger.

AN CHART TRIP

There should be some lively mixing on the wrestling mat at the City Auditorium to-night, when "Buil" Montana, "the Italian bone broaker," meets "Young" Sigfried, of New Jersey, who is a very clever and fast wrestler, and same to the core. These men will put on the first match of a double bill, and will be followed by Connie Albright, "the Western wildcat," and Ernest Pineau, "the French champion."

The fact that Albright wants to show the fans of Richmond that he is as good as ever and able to give the best in the business a run for the money, will make him work hard to beat the first match of a double bill, and will be followed by Connie Albright, "the Western wildcat," and Ernest Pineau, "the French champion."

is very anxious to have his friend remain here as one of the permanent residents, and at present the question resolves itself into one of business expedience. This much having been told, and the invitation extended on behalf of Messrs. Laval and Jackson, proprietors, it behooves us to tell a secret.

Bill Laval has been offered a contract by George Stovall, manager of the Kansas City Feds, and Bill may accept. There is a difference of opinion between Laval and Secretary Bradley, of the Colts, the difference being a question of salary. Bill feels that he deserves more money than he got last season, but the contract sent him carries the same old wage scale. Therefore, Bill has not signed, and will not until some amicable agreement has been reached. It may happen to-day, and then it may never happen. If it doesn't, Bill goes to the Feds, and that's no jest. Laval's value to the club last season is known by every fan, and the majority will vote that he is entitled to an increase.

As for Joe Jackson, he went to bed dreaming dreams of an automatic cash register, which recorded dollars so fast that an expert accountant was necessary to verify the totals. As some may have suspected, Mr. Jackson is a ball player when he's working, but on off days, he's willing to take a flyer in the business world. That's why he's here.

# What Is Good Telephone Service?

A SATISFACTORY telephone conversation is made possible only by a well-constructed, properly-maintained and wellequipped plant, plus good operating, of the kind which our records show is being furnished to the people of Richmond.

Bell Service must be, above all else, prompt and accurate. That is the standard we have set, and the standard which we are bending every energy to maintain.

Our subscribers, who may wait ten minutes for a train or five minutes for a street car, must not be obliged to wait as many seconds for their telephone call. The operator must answer and establish the connection promptly.

The company assumes that every message is important and urgent. A highly-trained and well-disciplined force is employed. that the maximum standard of operating speed and accuracy may be maintained during the busy as well as during the dull hours of the day.

Then, if our subscribers have observed the necessary and reasonable requirement to consult the telephone directory and answer all calls promptly, we have accomplished our purpose.

### Must Prove Game Is Not Brutal

Rome, February 10.—The unfa-miliarity of Italians with baseball to-day was demonstrated by the refusal of the authorities to perrefusal of the authorities to permit a game between the New York team, of the National League, and the Chicago team, of the American League, without first being convinced that baseball is not a "brutal game." After the points of the game were explained, the authorities still insisted that a net be erected within the stadium to protect the spectators. Even when erected within the studium to pro-tect the spectators. Even when promises were given that this pre-caution would be taken permis-sion was withheld until Wednesday at noon, when a few innings will be played for the benefit of the author-tics, who desire to judge for them-selves what manner of game the American national passing is. American national pastime is,
